INVITATION

LOGISTICS SEMINAR MAY 18th 2011

“Romania's next step in becoming Europe's Eastgate trade hub”

Crowne Plaza Hotel Bucharest

The European Gateways Platform, a public-private partnership between authorities and companies from Romania and the Netherlands will host the Sixt Logistics Seminar in Bucharest on May 18th 2011 in the Crowne Plaza Hotel Bucharest. The leading supply chain and logistics expert company Archicom has been requested to develop the content of the seminar in close collaboration with other companies and authorities, and with the Netherlands - Romanian Chamber of Commerce and the Dutch-Romanian Network.

Logistics efficiency has a wide range of topics, and this seminar will focus on several main issues hampering an efficient logistic solution bringing both the suppliers and the user's advantages. In the afternoon there are 4 workshops in 2 sessions:

- General conditions: domestic transport & warehousing
- Warehousing & dangerous goods
- Supply chains in control by ICT
- How to develop inter-modality?

It is possible to attend 2 workshops! The seminar will address all aspects concerned with these issues. The seminar aims at all decision makers from shippers, traders, logistics companies, distributors, and authorities and services suppliers. More information can be found on www.logisticsportal.ro

To enlist for the whole seminar:

- Whole seminar for one registrant: E 125 ex. VAT
- Three or more registrants: E 110 / person ex. VAT
- Only attending 2 workshops E 80 / person ex. VAT (3 or more participants E 70 / person ex. VAT)

Please fill in the registration form on www.logisticsportal.ro

Participation is limited to 250 participants!

Registration is served on a first paid, first served basis. We

therefore recommend a timely payment.
